

DIENSTLEISTUNGEN

entrenet - the consulting company with a clear focus on:

- BUSINESSPLAN,
- ENTREPRENEURSHIP and
- INNOVATION

"Great business ideas need WINGS, to make them lift off, as well as a LANDING GEAR, to bring them back to ground."

The BUSINESSPLAN is that "Vehicle", combining the wings with the landing gear. Because a capital provider does not BORROW, but he does FINANCE!

entrenet - Services

- Check of Business Ideas

- Businessplan

- Seminars/Lectures
